## **Voluntary Steward Rule and Procedures**

### CBCRA Container Recycling Fee

Conservation Manitoba has approved the Canadian Beverage Container Recycling Association (CBCRA) Program Plan for Beverage Containers under the Manitoba Packaging and Printed Paper Regulation 195/2008. The CBCRA Program Plan that was approved by Manitoba's Minister of Conservation provided for Rules for obligated Stewards of Beverage Containers. A copy of the Rules can be obtained at: www.cbcra-acrcb.org.

Under the Program Rules Stewards means;

(a) the first person who, in the course of business in Manitoba, Supplies a designated material to another person; or (b) a person who, in the course of business in Manitoba, uses a designated material obtained in a supply transaction outside of Manitoba. The "Rules" allow companies to elect, subject to approval by CBCRA to become Stewards respecting Beverage Containers (BC) that would otherwise be the responsibility of another Steward.

The purpose of the Voluntary Steward in the Rules is to provide an opportunity for a company to accept reporting responsibilities and make payments on behalf of a Steward in order to reduce the administrative burden on the Steward.

#### Terms and Conditions

In order to become a Voluntary Steward, a company must complete a Voluntary Steward Agreement and enter into a contract with CBCRA and Report and pay fees on behalf of the otherwise responsible Steward.

If a Voluntary Steward defaults on its responsibility under its contract with CBCRA the agreement becomes null and void. In this case, the obligation reverts to the obligated Steward in Manitoba of the Beverage Container (BC) under the CBCRA Rules. A Beverage Container is defined as a container that is supplied to a consumer in Manitoba that contains a single use ready to serve beverage, but it does not include containers for which a refundable deposit is payable when the goods are Supplied at retail.

### **Examples of Voluntary Stewards**

Under the current policy, certain types of arrangements will not be accepted as part of a Voluntary Steward. They are described below.
